Sustainable Aviation Fuels – Time for take-off

7-8 November 2024

Athens, Divani Palace Acropolis

**Be at the center of the first Sustainable Aviation Fuels
Conference in Greece.**

Take the opportunity to show your leadership in the sector.

The Sponsorship Packages

Three packages, PLATINUM, GOLD and SILVER have been carefully designed to provide you with a wide selection of options to promote your company in the SAF stakeholder community in Greece.

You can promote your company with a variety of actions and networking opportunities during the conference. Promotional opportunities during the conference include participation in oral sessions, panel discussions, coffee breaks and lunches as well as the conference dinner.

Your sponsorship will be acknowledged in every possibility, such as in the conference announcements, the programme of the conference, conference flyers and press releases.

Finally, please note that for PLATINUM Sponsors, CRES is open to discuss with you in customizing your exposure in the conference.
