

MARE
Mediterranean Activities for
Research and Innovation in the
Energy Sector

EUROMED Energy Network - Organization Profile

Please, fill in yellow cells only with text or check the boxes when appropriate. You may add some lines where the proposed list of items is not appropriate.

Organization Name

Belongs to the Group
(if any)

Region(s) of commercial representation: EUROMED

**Countries of
commercial
representation**

| | |
|------------------------|----------------|
| Austria | Belgium |
| Bulgaria | Croatia |
| Cyprus | Czech Republic |
| Denmark | Estonia |
| Finland | France |
| Germany | Greece |
| Hungary | Ireland |
| Italy | Latvia |
| Lithuania | Luxembourg |
| Malta | Netherlands |
| Poland | Portugal |
| Romania | Slovakia |
| Slovenia | Spain |
| Sweden | United Kingdom |
| Albania | Algeria |
| Bosnia and Herzegovina | Egypt |
| Israel | Jordan |
| Lebanon | Mauritania |
| Montenegro | Morocco |
| Palestine | Syria |
| Tunisia | Turkey |

MARE Sectors of operation

Technology fields
(multiple selection is possible)

RES - Desalination Building EE

Solar PV
Building Integrated PV
Solar water heating
Passive solar space heating

RES - Microgrids

Concentrated PV
Solar space heating & cooling
Concentrated Solar Power

On-shore Wind

Off-shore Wind

Solid Biomass

Biofuels

Organic wastes

Ground-sourced Heat Pumps

High Efficiency air-cooled HP

Ocean/Sea-sourced HP

Small scale hydro

Hydrogen production

Fuel cells

Tidal power

Waves power

Salinity gradient power

CHP

Waste heat recovery

Micro CHP

ICT infrastructure

Inverters

Monitoring & control

Software tools

Lighting

Planted roofs

Building envelopes

Low energy components

Cool paints

Heat storage

Cold storage

Electricity storage

Fuel storage

Organization

Category of Organization*

Research

University Lab

Public research centre

Private research centre

Industry & commerce

Part manufacturer
Subsystem manufacturer
Turn-key System manufacturer
Services with bulk sales
Services with equipment retail
Engineering services
Web services

Finance

European Commission
Ministries
National funding agencies
Regional funding agencies
Banks
Venture capitalists
Business Angels

Education

University
Engineering school
Institute
Professional training
Secondary school

Business facilitator

Clusters
Chambers of commerce
Business parks
Enterprise Europe Network
Sector-specific professional associations
Technology transfer agents
Incubators
Consultants
Lawyers
